The School Teachers' Pay and Conditions Document ("The Document") requires schools and local authorities to have a pay policy which sets out the basis on which they determine teachers' pay; the date by which they will determine the teachers' annual pay review; and the procedures for determining appeals. Maintained schools and local authorities must stay within the legal framework set out in the Document and in other relevant legislation that affects all employers (for example, legislation on equality, employment protection and data protection). All procedures for determining pay should be consistent with the principles of public life - objectivity, openness and accountability.

This policy sets out the framework for making decisions on teachers' pay. It has been developed to comply with current legislation and the requirements of the Document and has been consulted on with staff and the recognised trade unions.

In adopting this pay policy, the aim of the school or local authority is to:

- reward all staff appropriately within the budget available;
- use the nationally agreed pay ranges, together with the discretions available to best advantage in order to recruit and retain the highest quality staff at the appropriate rate of pay;
- ensure that all staff have confidence that they are receiving fair and equal treatment;
- ensure that pay arrangements are transparent and communicated to staff;
- support the school's development plan, current priorities and targets;
- set clear procedures within which pay decisions are made so that any appeals arising from decisions on remuneration are addressed objectively, fairly and within agreed timescales,
- ensure that all decisions on pay are made with due regard to the school's Appraisal and Capability procedures;

Pay decisions at this school are made by the [\[Staffing/Pay/Performance Management Committee of the Governing Body.\]](#) ~~(to be edited to the schools local arrangements)~~

The committee will take decisions on pay after considering the recommendations of pay reviewers and the advice of the Headteacher.

- (a) The committee will determine the pay and allowances of school teachers and support staff employed at the school in accordance with the terms of the Document and the School's scheme for non-teaching employees, including the effective dates for such payments, having regard to:
 - (i) the levels of pay and allowances in place already;
 - (ii) the published Pay Policy of the Governing Body;
 - (iii) the staffing structure approved by that body;
 - (iv) the School Development Plan; and
 - (vi) the recommendations of the Headteacher.

SECTION 1.3. PAY REVIEWS

The ~~Governing Body~~Local Governing Board / Trustees will ensure that each teacher's salary is reviewed annually, with effect from 1 September and no later than 31 ~~Novem~~October each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled, within one month of any change in accordance with the Document.

Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made and within one month of any change in accordance with the Document.

Where a pay determination leads or may lead to the start of a period of safeguarding of salary, the ~~Governing Body~~Local Governing Board / Trustees will give the required notification as soon as possible and no later than one month after the date of the determination.

SECTION 1.4. PAY DETERMINATION

In this school all teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the school's Appraisal and Capability procedure.

Decisions regarding pay progression will be made with reference to the teachers' appraisal reports and the pay recommendations they contain. Annual pay progression within the range for all teaching posts is **not** automatic and will be subject to Performance Related Pay.

Reviews will be considered as successful unless concerns have been raised at any time during the appraisal cycle and not successfully addressed in accordance with the Appraisal and Capability procedure. Any concerns should be raised immediately and noted.

To be fair and transparent, assessments of performance will be properly rooted in evidence. In this school we will ensure fairness by quality assurance and moderation of both objectives being set across the school and published career stage expectations shown at appendix 4, which show what will be expected for those teaching at a good level at different stages of their career with national pupil progress being one measurement of good outcomes. This will be shared with staff annually and will form appendix 5 of the pay policy. Evidence for this will include those examples as set out in the schools Appraisal and Capability procedure.

Teachers' appraisal reports will contain pay recommendations, this information will not be shared by the appraiser with the appraisee and should be held in confidence until such a time as it is ratified by the ~~Staffing/Pay~~Performance Management Committee. Final decisions about whether or not to accept a pay recommendation will be made by the ~~Staffing/Pay~~Performance Management Committee, having regard to the appraisal report and taking into account advice from the senior leadership team. The ~~Governing Body~~Local Governing Board / Trustees will ensure that appropriate funding is allocated within the schools budget for pay progression at all levels.

In this school, judgements of performance will be made against the overall impact of the

teacher on their pupils' learning and progress and the life of the school within that appraisal year. This will include work completed in line with objectives, career stage expectations and pupil progress. For those being awarded pay increases, they will be expected to make a significant impact upon a range of outcomes for pupils. Teachers will be eligible for pay progression of one point on the range if there is evidence to support good impact and if the impact has been outstanding then consideration will be given to uplifting salary by two points within the defined range. Those that have evidenced outstanding performance will therefore progress at an accelerated pace within the bounds of the range. There will no longer be a link between progression and length of service.

SECTION 1.5. PERFORMANCE PAY

Formatted: Font: 12 pt, Font color: Custom Color(RGB(31,73,125))

The ~~Governing Body~~Local Governing Board / Trustees ~~agrees~~agree the school budget and will ensure that appropriate funding is allocated for performance pay progression at all levels. The ~~Governing Body~~Local Governing Board / Trustees ~~recognises~~recognise that funding cannot be used as a criterion to determine progression. .

The ~~Governing Body~~Local Governing Board / Trustees will adopt an Appraisal and Capability procedure which will allow for transparent performance related pay to be applied to ALL teachers.

Newly Qualified Teachers (NQTs)

Formatted: Font color: Custom Color(RGB(31,73,125))

In the case of NQTs, whose appraisal arrangements are different, pay decisions **will be made by means of the statutory induction process**. It will be possible for a 'no progression' determination to be made without recourse to the capability procedure.

SECTION 1.6. APPLICATION TO THE UPPER PAY RANGE

Formatted: Font: 12 pt, Font color: Custom Color(RGB(31,73,125))

Applications and Evidence

Formatted: Font: 12 pt, Font color: Custom Color(RGB(31,73,125))

Any qualified teacher who has progressed to Reference point 6 of the School's main pay range may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range, and in deciding this they need to submit an application with supporting evidence.

Applications may be made once a year. The deadline for applications within this establishment will be for applications and, where appropriate, evidence to support the application to be given to the Headteacher no later than ~~{school to insert day/month}~~^{1st} ~~October~~November of the relevant year. Any move up to the upper pay range to take effect from ~~the~~ September of the same year applicable to the application. This deadline will apply consistently across the ~~school~~teaching staff. If a late application is received this would only be considered in exceptional circumstances for that year.

Formatted: Superscript

~~If a teacher is simultaneously employed at another school(s), they must submit a separate application if they wish to apply to be paid on the upper pay range in both schools. This school will not be bound by any pay decision made by another school.~~

All applications should include the results of reviews or appraisals under the 2012 regulations, including any recommendation on pay (or, where that information is not applicable or available, a statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria). Applications should contain evidence from at least the last two academic years, or in the case of a break in service, the years which sit either side of the break. Written requests should be with the Headteacher no later than

~~{school to insert day/month}~~^{1st} ~~October~~ of the year in which the teacher is applying for the uplift and any adjustment to pay if agreed will take effect from the September applicable to the application. Applications submitted in advance of the deadline in each year will not be considered until the deadline has passed.

Formatted: Superscript

If a teacher is simultaneously employed at another school(s), they must submit a separate application if they wish to apply to be paid on the upper pay range in both schools. This school will not be bound by any pay decision made by another school.

The Assessment

Formatted: Font: 12 pt, Font color: Custom Color(RGB(31,73,125))

An application from a qualified teacher will be successful where the Governing Body/Local Governing Board / Trustees ~~is~~^{are} satisfied that:

- (a) the teacher is highly competent in all elements of the relevant standards; and
- (b) the teacher's achievements and contribution to the school are substantial and sustained.

For the purposes of this pay policy:

- 'highly competent' means performance which is not only good and in the most part outstanding, but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice
- 'substantial' means of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning; and
- 'sustained' means that the above standard will be maintained continuously over a long period, which would be a minimum of two school years.

The application will be assessed by the Headteacher against the above guidelines and will include a review against the relevant career stage expectations, national standards of progress measures and up to date Ofsted guidance. SECTION 1.7. LEADERSHIP SCALES

Headteacher

The Headteacher must demonstrate sustained high quality of performance, with particular regard to leadership, management and pupil progress at the school and will be subject to an Appraisal against appraisal objectives agreed by the [Governing Body/Local Governing Board / Trustees](#) Panel of Appointed Governors. They are required to seek advice on performance from an external adviser, before any performance pay will be awarded. The criteria for Leadership Group progression will be taken fully into account. The [Governing Body/Local Governing Board / Trustees](#) will determine how pay progression will be determined, subject to the following:

- (a) the decision whether or not to award pay progression must be related to the individual's performance, as assessed through the school's appraisal arrangements in accordance with the 2012 regulations.
- (b) a recommendation on pay must be made in writing as part of the individual's appraisal report and, in making their decision, the [Governing Body/Local Governing Board / Trustees](#) Panel of Appointed Governors must have regard to this recommendation;
- (c) where the individual is not subject to the 2012 regulations, in order to reach a decision whether or not to award pay progression the [Governing Body/Local Governing Board / Trustees](#) Panel of Appointed Governors must seek to agree objectives with the individual relating to school leadership and management and pupil progress and, in the absence of such agreement, must set such objectives, and must appraise the performance of the individual taking account of those objectives;
- (d) pay decisions must be clearly attributable to the performance of the individual;
- (e) sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with the 2012 regulations or the objectives agreed or set under (c) (as the case may be) should give the individual an expectation of progression up the pay range;
- (f) where in accordance with the provisions of an earlier Document the relevant body has determined a pay range, the maximum of which exceeds the highest salary payable under this Document, it must continue to pay any salary determined by reference to that pay range until such time as it reassesses the pay range for its leadership posts under the provisions of this Document.

Annual pay progression within the range for this post is **not** automatic and will be subject to Performance Related Pay. Judgements of performance will be made against the overall rating for the Headteacher within that appraisal year. Any progression will normally be by one point, but the [Governing Body/Local Governing Board / Trustees](#) of Appointed Governors may consider movement by two points where exceptional performance warrants. Exceptional performance must be verified by the [Governing Body/Local Governing Board / Trustees](#) Panel of Appointed Governors supported by the school's external adviser through the appraisal review.

Deputy and Assistant Headteachers must demonstrate sustained high quality of performance in respect of school leadership and management and pupil progress and will be subject to the appraisal process which will include review of their objectives, pupil progress measures compared with national and meeting all of the relevant standards as set out in the documents. The criteria for Leadership Group progression will be taken fully into account. The [Staffing/PayPerformance Management](#) Committee will determine how pay progression will be determined, subject to the following:

- (a) the decision whether or not to award pay progression must be related to the individual's performance, as assessed through the school's appraisal arrangements in accordance with the 2012 regulations.
- (b) a recommendation on pay must be made in writing as part of the individual's appraisal report and, in making their decision, the [Staffing/PayPerformance Management](#) Committee must have regard to this recommendation;

- (e) sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with the 2012 regulations or the objectives agreed or set under (c) (as the case may be) should give the individual an expectation of progression up the pay range;

Annual pay progression within the range for these posts is not automatic and will be subject to Performance Related Pay. Judgements of performance will be made against the overall rating within that appraisal year. Any progression will normally be by one point, but the [Staffing/PayPerformance Management](#) Committee may consider movement by two points where exceptional performance warrants additional points. Exceptional performance must be verified by the Headteacher and confirmed by the [Staffing/PayPerformance Management](#) Committee.

[Leading Practitioners](#)

~~Leading Practitioners must demonstrate sustained high quality of performance in the light of their agreed performance criteria and will be subject to a review of performance before any performance points will be awarded. Work of a Leading Practitioner should include additional duties relevant to their role in modelling and leading improvement in teaching skills. Any work undertaken at other schools, in higher education facilities, at facilities of the LA and elsewhere will be taken into account.~~

~~Annual pay progression within the range for these posts is not automatic and will be subject to Performance Related Pay. Judgements of performance will be made against the overall rating within that appraisal year. Any progression will normally be by one point, this is for an outstanding practitioner, but the Staffing/Pay Committee may consider movement by two points where exceptional performance has been verified by the appraiser and confirmed by the Staffing/Pay Committee.~~

[Chartered London Teachers](#)

~~The Chartered London Teacher (CLT) scheme will close on 1 September 2016.~~

~~Transitional arrangements for the scheme will come into effect from 1 September 2014.~~

~~Teachers must have registered their intention to apply by 1 September 2014 and will need to submit their application for CLT status by 1 September 2016 to the school. The criteria for teachers who wish to apply for CLT status are set out in paragraph 30.2 of the Document.~~

The values of the TLRs to be awarded are set out below:

TLR2s will be awarded to the following values:

A Teaching and Learning Responsibility payment ("TLR") may be awarded to a classroom teacher for undertaking a sustained additional responsibility in the context of the school's staffing structure for the purpose of ensuring the continued delivery of high-quality teaching and learning for which they are made accountable. The award may be made while the teacher remains in the substantive post or occupies another post in the temporary absence of the post-holder.

Before awarding a TLR, the ~~Governing Body~~ Local Governing Board / Trustees must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers, and that it -

- a) is focused on teaching and learning;
- b) requires the exercise of a teacher's professional skills and judgement;
- c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and

~~In addition before awarding a TLR1 the relevant Governing Body, must be satisfied that the significant responsibility referred to in the previous paragraph includes, in addition, line management responsibility for a significant number of people.~~

A teacher may not hold more than one TLR, but a TLR could be based on a job description that itemises several different areas of significant responsibility.

A Fixed-term TLR 3 may be awarded for clearly time limited school improvement projects, or one-off externally driven responsibilities and this does not have to be displayed in the structure at appendix 1. Such an allowance will be between the amount of £~~53423~~ and £~~2,6552,603~~. Although a teacher cannot hold a TLR 1 and a TLR2 concurrently, a teacher in receipt of either a TLR1 or TLR2 may also hold a concurrent TLR3.

In deciding whether a TLR should be paid please refer to The Document, Section 3, Guidance for Local Authorities, School Leaders, School Teachers and Governing Bodies of Maintained Schools (in particular, paragraph 47 should be taken into account).

Section 1.9.2 Special Educational Needs Allowances

Formatted: Font: 12 pt, Italic, Font color: Custom Color(RGB(31,73,125))

A Special Educational Needs allowance will be awarded ~~:~~

~~**[if a special school]** to all classroom teachers;~~

~~**[if a mainstream school]** to any post that requires a mandatory SEN qualification;~~

~~**[if a mainstream school]** to all classroom teachers who teach pupils in one or more designated special classes or units in a school.~~

Where a SEN allowance is to be paid the ~~Governing Body~~Local Governing Board / Trustees must determine the spot value of the allowance which will be between £~~2,127085~~ and £~~4,1994,116~~. The determination will be dependent upon:

1. whether the post requires a mandatory qualification,
2. the qualifications and expertise of the teacher relevant to the post, and
3. the relative demands of the post.

recorded. Any increase in remuneration should only be agreed where the post accrues extra responsibilities as a result of the Headteacher's enlarged role, it is not automatic and should be in line with the provisions of the Document.

Where the arrangement for the Headteacher is temporary, any adjustment to pay of other teachers is also temporary, and safeguarding provisions will not apply when the arrangements cease. The relevant body should consider the appropriate use of acting allowances and other temporary payments. Where there is a Deputy Headteacher in the school, it may be more appropriate to temporarily increase his or her pay range to take account of the increased responsibilities in the absence of the Headteacher. Additionally a teacher may be temporarily appointed, in the absence of the substantive post holder, to a post in the staffing structure which attracts a TLR payment; and where none of those are appropriate, the Governing Body can make use of additional payments at paragraph 26.1 of the Document.

PROVISION OF SERVICES TO OTHER SCHOOLS – OPERATING PRINCIPLES AND REQUIREMENTS

- Any services provided by the Headteacher of one school to another school must be authorised formally by the Governing Body and, where the work extends over more than a 12 month period, the agreement of the Governing Body must be formally reviewed annually or sooner if appropriate. The Governing Body should also agree arrangements for terminating such work.
- Before such work is undertaken, the Governing Body and the Headteacher must take into account:
 - the needs of the school and its pupils;
 - the benefits that the activity would bring to the school;
 - the impact of any absence on other staff, including their workload; and
 - the workload and work-life balance of all the individuals concerned.
- In particular, before reaching a view, the Governing Body should satisfy itself that these matters have been fully considered within the school's leadership team.
- Arrangements for payment for external work, including personal remuneration, must be clearly stated and formally incorporated into a protocol by the Governing Body (or the finance committee) and decisions duly minuted.
- The Headteacher and Governing Body should monitor the operation of the arrangements and their impact on staff and pupils and take action where arrangements prove to be unsatisfactory.
- The disposition of any payment, including personal remuneration, for external services must be agreed in advance in accordance with the determinations of the Governing Body. The terms of such an agreement must be set out in a memorandum signed by the Chair of Governors and the Headteacher and any other members of staff involved.
- Any income derived from external sources for the work of a school's staff should accrue to the school. The Governing Body should decide whether it would be appropriate for individual members of staff to receive additional remuneration for these activities and, if so, determine the appropriate amount.
- The Governing Body should ensure that any expenses incurred by the individual as a result of taking on additional work are reimbursed, unless they are accounted for elsewhere.

Section 1.10.6 Temporary payments to Headteacher

The Governing Body may determine that additional payments be made to the Headteacher in line with Section 2 paragraphs 10.2 to 10.4 of the Document, for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined. In each case the Governing Body must not have previously taken such reason or circumstance into account. Any additional payments should be evidenced thoroughly and the reasons for them being granted clearly recorded in the Governing Body minutes.

It is to be noted that such payments shall not exceed 25% of the annual salary which is otherwise payable to the Headteacher, and the total sum of salary and other payments made must not exceed above the maximum of the Headteacher group on the leadership pay group as defined in the Document section 2 paragraph 5.2.

In wholly exceptional circumstances the Governing Body may determine that additional payments be made to the Headteacher which exceed the limit set out in Paragraph 10.2 of the Document. In such cases the Governing Body will seek external independent advice before providing such agreement.

Section 1.10.1 Recruitment and Retention Incentives and Benefits

The Governing Body may make such payments to a teacher as it considers to be necessary as an incentive for the recruitment of new teachers and the retention in their service of existing teachers of [amount] ~~school inserts~~ It shall make clear at the outset the expected duration of any payment, and the review date after which it may be withdrawn.

School to select from:

- ~~○ to all teachers,~~
- ~~○ to those in shortage subjects as defined by the school,~~
- ~~○ after one or two advertisements have failed to produce a suitable candidate for appointment.~~

~~[Insert details of other benefits payable, such as support for travel costs, care of dependants etc, amount and circumstances].~~

The Governing Body will review the level of payment/benefits ~~[annually]~~

Headteachers, Deputy Headteachers and Assistant Headteachers may not be awarded recruitment and retention incentive or benefit other than as a reimbursement of reasonably incurred housing or relocation costs. All other recruitment and retention considerations in relation to a Headteacher, Deputy Headteacher and Assistant Headteacher must be taken into account when determining the pay range. Where a Governing Body pays a recruitment or retention incentive or benefit award to a Headteacher, Deputy Headteacher or Assistant Headteacher under a previous Document, subject to review, it may continue to make that payment at its existing value until such time as the respective pay range is determined in line with the current Document.

Section 1.10.2 Continuing Professional Development

Teachers who undertake voluntary continuing agreed professional development outside their 1265 or relevant proportion thereof if part-time may be entitled to an additional payment of ~~— [Insert amount here. School to determine].~~

Section 1.10.3 Initial Teacher Training Activities

Formatted: Normal

Activities that may attract payment include:

School to select from:

- Supervising and observing teaching practice;
- Giving feedback to students on their performance and acting as professional mentors;
- Formally assessing students' competencies;
- Other.

Teachers who undertake initial teacher training activities which are not seen as part of the ordinary running of the school may be given separate contracts of employment to cover areas of work that are not part of their substantive teaching job (e.g. post threshold) or contract of employment. Areas of work that will attract a payment **as per short notice supply teacher rates** include:

School to select from:

- planning an initial teacher training course;
- preparing course materials;
- undertaking the marketing, finance and administration of the course;
- taking responsibility for the well-being and tuition of initial teacher training students.

Section 1.10.4 Out-of-School Activities

Section 1.10.5 Service provision

should be evidenced thoroughly and the reasons for them being granted clearly recorded in the [Governing Body/Local Governing Board / Trustees](#) minutes.

It is to be noted that such payments shall not exceed 25% of the annual salary which is otherwise payable to the Headteacher, and the total sum of salary and other payments made must not exceed above the maximum of the Headteacher group on the leadership pay group as defined in the Document Section 2 paragraph 5.3.

In such cases the [Governing Body/Local Governing Board / Trustees](#) will seek external independent advice before providing such agreement.

Section 1.10.7 Headteachers Temporarily accountable for more than one School

~~Occasionally, where there is a vacancy in the post of Headteacher and it is not possible to appoint a Deputy Headteacher or another member of the teaching staff to take on the position of acting Headteacher, a Headteacher of another school may be appointed to be responsible and accountable in addition to their continuing role as the Headteacher of their own school.~~

~~This role should be regarded as an acting headship on a temporary basis for as long as arrangements are being made for a permanent Headteacher to be recruited or to make alternative permanent arrangements, such as amalgamating the schools or creating a hard federation. There is an expectation that these temporary arrangements should be time limited and subject to regular review and the maximum duration should be no longer than two years.~~

~~Any workload issues for the Headteacher and additional responsibilities for other staff as a consequence of this temporary arrangement should be addressed as part of the overall considerations by the Governing Body in agreeing to the Headteacher undertaking the temporary additional role.~~

~~In order to support a Headteacher who temporarily takes on the responsibility and accountability for more than one school the Governing Bodies of the schools concerned should establish clarity regarding both how these arrangements will work in practice and how the arrangements will be brought to an end. Schools contemplating this arrangement should note that it is only ever intended to be temporary.~~

~~In such temporary arrangements a fixed term variation of contract must be issued by the contracting employer. This will specify that the Headteacher, in addition to their substantive post, is for a fixed period employed additionally as Headteacher of the additional school(s). At the end of the fixed term variation the Headteacher will revert to their substantive post.~~

~~Under the Collaboration Regulations the Governing Bodies may arrange for a joint committee made up of governors from all the schools involved to be established to oversee the fixed term arrangements. This joint committee should have delegated power to deal with the pay and performance management of the Headteacher and other relevant staffing issues. This joint committee should also have delegated power regarding the financial arrangements which will apply during the collaboration period. For example, the joint committee should determine any payment on the basis of temporary additional responsibility for teachers, other than the Headteacher, in each school, and the arrangements for reviewing and ending those payments.~~

Formatted: Font: 12 pt, Font color: Custom Color(RGB(31,73,125))

The joint committee should also take account of the circumstances of each school and the workload implications, including the extent to which the Headteacher is likely to be absent from the individual schools. Any temporary payments made under paragraph 10.1 to 10.4 should take account of the full responsibilities of the post. Where there is a Deputy Headteacher in the school, it may be more appropriate to increase their pay range temporarily to take account of the increased responsibilities in the absence of the Headteacher. Additionally, a teacher may be temporarily appointed, in the absence of the substantive post holder, to a post in the staffing structure which attracts a TLR payment; and in the case of a classroom teacher where none of those are appropriate, the joint committee may consider the use of additional payments at paragraph 26.1(d). The joint committee should ensure that any payment for additional responsibilities is in line with the provisions of the Document and the school's pay policy.

SECTION 2: Support Staff in community schools and converter academies post 01.05.2011 (ex community schools) or schools who have signed collective agreements after 01/05/2011

All Support Staff employed at ~~[] school~~ by Unity Academy Trust are subject to:

- (a) The National Agreement on Pay and Conditions of Service of the National Joint Council for Local Government Services, as supplemented by Provincial and Local Agreements reached with trade unions recognised by the Council and the rules of the Council;
- (b) The Articles of Government and other relevant documentation issued by the School.

These and other terms and conditions, policies and procedures referred to in this Document will be subject to review from time to time and may be varied at the Authority's discretion or by collective agreement. Any such variations will be separately notified to individuals or made accessible in documents kept at the School.

All pay-related decisions are made taking full account of the school improvement plan and performance management policy. Support Staff and unions have been consulted on this policy. All pay related decisions are taken in compliance with The Employment Rights Act 1996, The 1997 Single Status Agreement, Local collective agreement on terms and conditions 01.05.2011, The Employment Relations Act 1999 and The Employment Act 2002, as well as The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000, The Employment Act 2002 (Dispute Resolution) Regulations, The Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002, the Employment Equality (Age) Regulations 2006, Equality Act 2006, Employment Equality (Sexual Orientation) Regulations 2003, Employment Equality (Religion or Belief) Regulations 2003, Equality Act (sexual orientation) Regulations 2007 and the Bexley Performance Management procedure for support staff, and the Equality Act 2010. ~~and collective agreements dated (enter dates of agreements as necessary).~~
